Caden finished 2<sup>nd</sup>. Mason Boney finished 2<sup>nd</sup> in his class. Other racers included Reagan Martin, Blake Wilson, and Noland Boney.

Feb5...I am so excited! Booked a cabin in Gatlinburg for my family to get away and spend time together so I will be away next Sunday. Kenneth Padgett, our one student in seminary right now will be practicing his skills on you next Sunday. He made all A's and a B last semester! If there is an emergency, Don will be available as well as our deacons. The deacon on call is Bob Hundley next week.

Feb4...Had lunch with a local church planter Robert Altman. He planted Bethany Baptist Church three years ago on Hwy 70 and is running about 120 each week. They baptized 85 last year! He said that someone was talking with one of his church members about the church and said that it must be a cult. They asked why they would say that. They said, "Because I knew someone who went out there and when she came back to work, she was changed. Everything about her changed!" Wow! I hope people say that about our church.
